NEWSLETTER

Friday 25th November

Dear Parents,

School Bank.
Thanks to Mrs Adams for her support for our school bank. (In the hut on Friday mornings.) If you would like to help please talk to Fran. It will be likely we move this session to the end of the day on Fridays after Christmas.

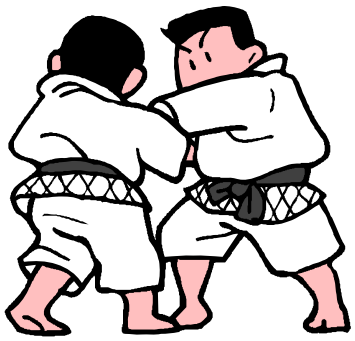
Harvest Festival
The goods were well received at the children's home. We have had a lovely letter expressing their thanks to you all.

Judo on Monday
We have been selected to run a Judo taster session on Monday for all children in school. We do expect that all children will want to take part from Reception to Year 2.

Children will need to make sure, as usual, that they have no jewellery. Studs will need to be taken out please, perhaps children won't wear studs that day? We will tape over them if your child cannot take them out.

The coaches are all European or National champions. They impressed us with their professionalism in an assembly. We have every expectation that they will be excellent in what they do.

After this session, letters will go out asking if your child would like to attend a club here at school on Wednesday mornings from 8:00am. There will be a small cost.



We hope that the children will get a lot from it. This is another way of learning and quite different to how we normally work. We are looking forward to children's co-ordination, skills, strength and fitness improving.

If you have any questions do speak to or leave a message for Mr Ingham.

Working for Warwickshire

School Uniform

Andy Blaire's shop has closed in the High Street. However we are going to run school uniforms ourselves. We hope to have the uniforms in ready for the end of term and tell you what days they are available and so on.

We have a problem inside school at the moment with boots. While they are lovely they have not been designed with children sitting on the floor in mind. So we have problems with fiddling and zippering etc which gets in the way of learning. The children cannot move easily on the floor either. We ask that some other shoes can be worn in class, leaving the boots for outside wear.

NCH

Lisa from the NCH passes on her thanks. Our sponsors, you, raised £200 for projects for needy children. Cedric the Dragon put in a guest appearance to say thanks too.
