Wednesday, 06 September 2006

Dear Parents,

Welcome back. It has been a delight to see our children again. The settling in process is going very well.
Our new children are obviously very happy to be here.

The building refurbishment has had a very positive effect on how we can teach and what is possible.

We do plan to complete the rest as soon as the funding comes in over the next 18 months.

Parents/Community Meetings
If you wish to meet for coffee and a chat during school time we can arrange the HORSA hut for you. Perhaps at 2:00 and then collect the children?

Milk
The price of milk is £1 a week. Please pay to the teaching assistant in class directly. Children who get water or milk still get a choice of fruit as well at no cost. We will be changing this system to a better system very soon.

School Dinners
A hot lunch now costs £1.55. Please pay in advance using the envelopes in your child's class. We can do individual days in the same way as well.
If your children have specific dietary needs, please tell us or remind us in the office. It will help

us ensure everyone is safe.
The new lunches are certainly tasty and are to the new standards set by the government.

Tesco
Good old Tescos. We will send off any extra vouchers left over soon. If you have any left please hand them in . They all help.

Free School Meals
The forms should have been returned and processed by now. If you haven't got one or
If you need to reapply contact Warwick 01926 412396 as you should have had the forms in the post.

We will be asking everyone to pay if there is no form.

Junior School
The Transfer to Junior School booklets for Year 2 children have come out. Please read them and check when you have to have your applications in by. You have to apply. There are no automatic rights to any places.

New carpets
One of our parents has proposed that children should have slippers to protect the new carpets. What do you think? Are you for or against this? Let us know in the office. If you write it down (anonymously if you want) and you can send it back, through your child's teacher.

Morning Video Club
There are quite a few parents who have asked about an early morning video club. This would only be from 8:30 and would allow parents to get to the junior schools more easily. We ask for a voluntary contribution of 50p. If you would use this please tell Mr Ingham or the office staff.
