

All Saints C of E Infant School & Nursery Unit Weekly Newsletter

Friday 29 January 2010

Dear Parents and Carers,

A few points for you as well as a couple of helpful guides overleaf.

Please note that the school lunch menu works on a three week cycle – just follow the dates on the left of the menu to see what's on offer this week. We hope you find this useful but would like to add that although the meals service does its best to keep to this menu, there may be slight variations on some days.

We will send out the holiday dates for the remainder of 2010/2011 later in the term.

Start of the School Day

Please note the following times for **school**:

8.45am – First bell (school doors open)

8.50am – Reception parents to leave*

8.55am – School starts **promptly**

9.00am – Mitchell Road gates closed

*Years 1 and 2 children are encouraged to come in to the cloakroom on their own, unless parents need to speak to the member of staff on duty.

If your child is late for school (after 8.55am), you should bring them in to the front Reception area. **A member of staff will then take your child through to their classroom.** This will avoid disrupting the class and ensure the safety of our children at

the start of the school day, in line with LA recommendations.

Please make sure that you fill out the “Late Arrivals” book at the School Office window and that you close the school gates behind you. Thank you for your assistance with this.
