

## Bedworth Society Award

It is with great pride that we received The Bedworth Society Award 2008 for Outstanding Environmental Improvement on Monday 1<sup>st</sup> June.

We were awarded this prestigious civic plaque for the Nursery refurbishment undertaken by YMDBoon our architects. A second part was for our Chapel and its beautiful stained glass designed by Theartofglass, and funded by the generosity of the Nicholas Chamberlaine Trust.

As a school we are delighted to be part of improving our community. This also means we are offering the highest quality provision for our children because we care.
