NEWSLETTER Thursday 8th March 2007

Dear Parents,

We had a visit from OFSTED on Monday. We are not allowed to say anything about **how well** we are performing. You will get a letter in about a month.

Thank you to all parents for sending back the OFSTED survey form. The response was huge. This helps the inspectors understand what we are doing.

Some Dates for you

*Working for
Warwickshire*

Friday, 16th March

And now the revival of one of our best traditions, the joke. (Send some in and you could be famous).

What does the lion say to his friends before they go out hunting for food ?

'Let us prey.'
