NEWSLETTER

Friday 22nd September

Dear Parents,

School is a really exciting place at the moment. Every day feels like a new day when you see the refurbished areas. The children are settling in really well. Playtimes are good natured.

Our newsletters are sent out as we need them. We have a few things to tell you about today.

Slippers in school

Thanks for your replies. We have had very strong feelings for and against. This is going to be a lively debate. It will be presented to governors at their next meeting.

Working for
Warwickshire

Extended Schools

The Government's and Local Authorities strategy is to get more cover for children before and after school as there is need. Next Wednesday there is a day's training at Bedworth Civic Hall. If you would like to attend we have a place for a parent. If you can come it will help as it will open up the discussion. Speak to Mr Ingham if you would like to come. Lunch is provided. This is from 9:15 to 3:30. (You could leave to collect your child).

Free School Milk

If your child has free lunches then they get free school milk.

Council Christmas Card Competition.

The forms will go out with this letter. Please return them to school by Thursday 5th October to allow us time to post them.

School Bank.

Thanks to Mrs Adams for her support for our school bank. (In the hut on Friday mornings.) If you would like to help please talk to Shani.

Nicholas Chamberlaine's School Foundation

Harvest Festival

This is next Friday 29th September at 2:15 in the hall. All are welcome. We will be selling goods to raise money for those in need, providing bus fares for children to get to school who otherwise couldn't afford it.

You know what is coming next! If anyone has any tins, bottles, anything really that we can price up and sell, we would love to receive them in the school office. On Friday morning we will take the goods in the hall as well at the start of school. Thank you very much in advance. Previous years have shown how generous our parents are.

School Nurses

Our school nurses are here to provide you with all health enquiries for your child. They are visiting us soon. (Date to be confirmed), for a drop in morning when you can have a chat about any issues. We'll let you know.

Behaviour Courses

You may have done a course before, or simply be interested in supporting your child's behaviour. If you would like to be part of a course, they are usually over six to eight weeks for two hours a week, tell us in the office. The school nurses are running this for us again.
