Playing and Learning Together

NEWSLETTER

Thursday 6th September

Dear Parents,

Welcome back everyone, particularly our new children in Reception and Year 1.

Everyone has done such a super job of getting the building ready in time. Thanks. Some staff have been here all through the holidays to ensure a successful outcome. Thanks very much Mrs Gilbert and Mrs Hall who have gone beyond the call of duty.

The extra and improved spaces mean that we can more easily offer the learning opportunities the children need.

Judo

There is an assembly on Monday 10th September with a special mention of Judo. Your child will come home with a letter from the national body for Judo, inviting your child to attend. If you wanted to speak to the team come along at 11:15 for assembly.

There are lots of good reasons for attending Judo. As a school we have benefited from the increased

concentration, self discipline and wide awake children.

This is usually on a Wednesday morning from 8:00 till 8:45

Key Stage 1 Fundamentals Club.

We have been surprised to be offered this club again for the beginning of the year. It is now running on Tuesday mornings, starting on the 11th September. This is also from 8 to 8:45. It will follow the same pattern as last year and is until February Half Term. Letters are attached.

Heritage Weekend

We have been invited to the Sunday evening service at All Saints for 6pm. Our children are welcome to come and sing. If they are comfortable wearing uniform

that would be a nice touch. Please tell Mr Ingham if you are coming so he is not lonely.

School Dinners

Dinners are now £1.60. If possible please pay a week ahead.

After School Club

We are thinking of starting an after school club, 3 to 5pm, based on our successful morning club. Is anyone interested in using such a club?

Costs would depend on the numbers of children. It would mean children who are late being collected after school have a better place to go than the entrance hall.

‘What parents need to know’

We are going to run a series of informal meetings based around raising successful, happy children. Everyone is welcome who is interested. The meetings will be in the daytime. First meeting to find out a little more about it will be on Tuesday 11th September at 9:05 in ‘The Bungalow’. Please wait in Reception.

Dogs

We are a ‘**no dogs**’ site. Tiny puppies in hand are always lovely to see, but any dog on the ground can be very scary for lots of children and adults. The large numbers of people and children can also upset the most placid of dogs. So common sense tells us not to bring dogs in or around school. You are welcome to tie dogs up to the exterior fences (away from the entrances please).
