Friday 11:10-11:25	Key stage 1	Worship	Headteacher	
	9:40-10:00 Foundation Stage	Worship	Member of Foundation Stage	

In the Spring term classes take their turn to take assembly.

Teachers may be requested to lead assemblies at any other reasonable time. There are a variety of ways of leading worship; reading stories, telling stories and interactive stories. To engage the children other modes of communication can be used such as music, plays and acting. To focus the children the candles may be used (with care), music played or stillness. Worship is about engaging with that which is outside of us, for Christians, God. We all need time to reflect

We also visit the Parish Church through the year, attend Founders Day and have special services at Christmas, Easter and the end of the school year when parents are invited to share in our worship.
